RE: Letter of Recommendation

Two Whom It May Concern,

I am writing this letter on behalf of Ksenia. I was Ksenia's A.C.T tutor and college preparatory coach in 2017. She is highly attentive to academic work. She arrived at every session on-time, prepared and eager to work. Ksenia has a keen ability to critically think and solve problems. She is well mannered and communicates well. She has a passion for social justice and is clear about her goals for the future.

Ksenia has a long record of excellent academic achievements. I highly recommend Ksenia to admission to your university. I am confident she will contribute to the university mission and vision, to student social activities and clubs, as well as develop herself as a scholar-practitioner in her field.

Please feel free to call me with any questions and I can expand upon her abilities and skills.

Thank you,

Dr. Nakita Savant
